

***The wonders of pool cleaning technology***  
***Maytronics - The Art of Pool Cleaning Technology***

Recommended for private pools up to 12 m. (40 ft.) in length.

**Meet Dolphin Magic - the innovative, low-maintenance leader in residential pool cleaning technology.**

Dolphin Magic is designed to deliver a user-friendly cleaning experience.

The streamlined user-friendly Dolphin Magic, with its one-of-a-kind top-access filter bag and swivel mechanism to prevent cord tangling (both patented), delivers a unique cleaning experience.

Dolphin Magic moves on to perform wonders with its optimal ratio of floor-to-wall cleaning time as well as its powerful sweeping feature for eliminating dirt and organic debris.

Dolphin Magic truly brings style, technology and ease-of-use to your pool cleaning experience.

**Dolphin Magic Advantages:**

- Possesses a one-of-a-kind removable top lid for easy access to the filter bag.
- Patented swivel prevents cable tangling.
- State-of-the-art most advanced self-learning scanning programme, optimizing pool coverage.
- Scrubs, brushes, vacuums, filters - prevents accumulation of algae and germs.
- 90-min. cycle optimally balances cleaning between walls and floor.
- Powerful sweeping traps dirt, debris and even dust particles in robot filter bag.
- Whirlpool evenly disperses chlorine and other chemicals.
- Equipped with Caddy for handling and storage.
